Freedom of Information Officer,

URS Corporation is interested in obtaining information related to investigation and remediation at Columbia Gas Transmission facilities in Ohio. U.S. EPA and Columbia Gas Transmission entered into an Administrative Order by Consent For Removal Actions in 1994, Docket No. III-94-35-DC, This Administrative Order required investigation and remediation of Columbia Gas facilities in several states, including Ohio.

URS is interested in investigation or remediation activities conducted as required by the Administrative Order.

Please contact me prior to copying of records so we may make payment arrangements or may schedule an in-person review to identify the specific files of interest.

Thank you. Please call or email with questions,

Eric Riekert
